

# Looking for a quality health plan at an affordable rate?

## We Can Help!

Founded by physicians, our comprehensive health plan was designed to provide top quality health care at an affordable rate.

We lower costs by combining the advantages of telemedicine, a robust pharmacy program, and a growing network of physicians.

### Ovation Platinum Features

- ▶ \$0 deductible and \$0 coinsurance.
- ▶ 24/7 nationwide telemedicine provider care and an open network.
- ▶ Robust pharmacy pricing at the lowest cost.
- ▶ A *Care Team* to assist members with finding the best providers, obtaining authorizations, negotiating costs, and protecting them from overcharges.

Through innovative structuring, our self-insured healthcare models are the solution for providing superior benefits and patient care, at substantially lower costs.

Most importantly, our self-insured and underwritten level funded plans are reinsured to mitigate catastrophic events.
